

EXECUTIVE LEADERSHIP PROGRAMME

Building AI-Enabled Universities

Equipping university leaders to govern, deploy, and lead AI transformation responsibly.

**17-20 AUG
2026**

**Mombasa,
Kenya**

**Intensive Executive
Workshop**

**Organised by
CLiG | Serianu**

Programme at a Glance

A four-day intensive executive leadership workshop equipping university leaders with the frameworks, tools, and strategies to lead AI-enabled institutional transformation.

Participants will analyse real institutional challenges, engage with global AI experts, build a 24-month transformation roadmap, and leave with specific personal and institutional commitments.
